District Court Number: 06-00210 CV-2-MEF
SECONDARY CASE NO: 02-00007-CR-N

We have received a copy of the order of the district court declining to issue a certificate of appealability. Rule 22(b) of the Federal Rules of Appellate Procedure provides in part:

If the district judge has denied the certificate, the applicant may request a circuit judge to issue the certificate. A request addressed to the court of appeals may be considered by a circuit judge or judges, as the court prescribes. If no express request for a certificate is filed, the notice of appeal constitutes a request addressed to the judges of the court of appeals.

The notice of appeal will be treated as a request for a certificate of appealability unless appellant files such a request within fourteen (14) days from the date of this letter.

Sincerely,

THOMAS K. KAHN, Clerk
